Dear Peterborough Senior Center friends,

Operation P.E.A.C.E. is continuing to monitor information and guidance from the city, state, CDC, and Age Strong Commission. At this point, we are actively working towards a staggered re-opening of the physical space of the Peterborough Senior Center. In the November calendar, please note the location (Zoom, Fenway Community Center, and Ramler Park) for each program. As a reminder, all outdoor events are weather dependent, and the FCC requires masks regardless of vaccination status. If you have any questions about joining a Zoom program, please let us know. If you are calling into a program, please check with your phone provider to see if long distance rates apply.

As we head into the colder months, try to check in on friends and loved ones. Not only for safety concerns, but also to socialize and show you care. Winter months can feel isolating to many – the Peterborough Senior Center is here for you!

Winter tips:

- Did you know? Massachusetts law requires residential landlords to maintain minimum heat requirements – 64 degrees at night and 68 degrees during the day from September 15 to June 15.
- Report unshoveled sidewalks (wait 3 hours after snowfall ends) or unplowed streets to 311 (call 311 or email 311@boston.gov).
- Visit: <https://www.boston.gov/departments/311/cold-weather-safety-tips> for more information!

Please remember: if Boston Public Schools are closed, all OpPEACE programs are closed too.

We thank you for your flexibility, care, and support as we navigate changes and transition. We hope that you and your family are doing well. If you need resources, please don't hesitate to reach out.

Thank you!

Mallory, Tracey and Sara
