Dear Peterborough Senior Center friends,

Happy Spring! Enjoy the needed sunshine and Vitamin D... but don't forget to apply sunscreen SPF 30+ and wear hats and long sleeves. With the warmer weather comes Opening Day (April 15) and the return of the Boston Marathon (April 18). The annual Red Sox Neighborhood Meeting will be April 6 at 6PM in the Ford Clubhouse (entrance on Brookline Ave. near the Jersey Street corner). There will be ballpark snacks and refreshments.

From the City of Boston website: While masking is still recommended to minimize the spread of Covid-19 and for those with heightened risk factors, the City's indoor mask mandate was lifted on March 5. Individual operators may still choose to require masking. Public transportation, health care settings, and congregant care settings are still subject to state and federal mask orders.

Do you know the difference between WiFi and Data? Do you feel nervous using technology? We are excited to share that a NEW Technology Class Series will begin mid-May! Thanks to Digital Equity Funding through the Age Strong Commission, OpPEACE will purchase new technology and hire an instructor to teach a series of Technology Classes for the Peterborough Senior Center. These classes will be fun and aimed at helping you gain confidence and the skills you need to use your device! Interested? Sign up now with Tracey or Sara!

Thank you!
