Dear Peterborough Senior Center friends,

Operation P.E.A.C.E. is continuing to monitor information & guidance from the city, state, and Age Strong Commission. We do not have a set date for re-opening the physical space of the Peterborough Senior Center, but we are thankful for access to phone and technology.

The programs listed in the calendar are all virtual through Zoom. If you have any questions about joining a Zoom program, please let us know. If you are calling into a program, please check with your phone provider to see if long distance rates apply. If you are clicking a link to access the meeting, you may want to check whether you are using cellular data or WiFi (please let us know if you need an explanation of each).

Our holidays may look different this year. From virtual family gatherings to phone calls with friends, we encourage you to consider ways to safely celebrate. Please also take some time to practice self-care and check in on loved ones.

We share the sad news that PSC patron, Romin Koebel, staunch supporter of open spaces and natural areas in cities, passed away on September 23. An online *Celebration of Life* will take place on Saturday, November 21 at 1PM. Please email rominkoebelfamily@gmail.com to RSVP and receive the link. An obituary can be viewed online at <https://legcy.co/31GtCsR>.

We thank you for your flexibility, care, and support as we navigate changes and transition. We hope that you and your family are doing well. If you need resources, please don't hesitate to reach out.

Thank you and Happy Holidays!

Mallory, Tracey and Sara
