Dear Peterborough Senior Center friends,

Operation P.E.A.C.E. continues to monitor information and guidance from the city, state, and Age Strong Commission. While we are fortunate to have access to the COVID vaccine, it is important to remember to keep practice social distancing. According to www.mass.gov, COVID19 can be spread up to 48 hours before a person shows symptoms. Keep your distance & wear your mask! Need help getting a vaccination appointment? Let us know and we can provide resources.

While we are unable to see each other in person, we continue to be thankful for access to devices and technology. The programs listed in the calendar for March and April are all virtual through Zoom. If you have any questions about joining a Zoom program, please let us know. If you are calling in, please check with your phone provider to see if long distance rates apply.

Unfortunately, despite the pandemic, taxes still have to be filed! Here are some tax filing resources:

- IRS: <https://www.irs.gov/filing/individuals/how-to-file>
- Boston Tax Coalition: <https://www.bostontaxhelp.org/do-you-qualify/>
- ABCD: **please note that most sites require documents to be uploaded virtually ...call each location for scheduling information** <https://bostonabcd.org/service/tax-assistance/>

Request your free credit reports from Transunion, Experian and Equifax:
